

## KINGS OF ISRAEL AND JUDAH

*After the death of King Solomon, the united Tribes of Israel split into two kingdoms - the southern kingdom of "Judah," with the capital remaining at Jerusalem, and the northern kingdom of "Israel," with the capital at Samaria. The northern kingdom lasted just over 200 years before they were conquered and taken away into exile by the Assyrians. The southern kingdom lasted slightly over 300 years before they were conquered and taken into exile by the Babylonians under King Nebuchadnezzar.*
