In-Person Worship at Trinity began on Sunday, June 21, augmenting the virtual worship on Zoom, Facebook and YouTube Live which began on March 15 and will continue.

The congregation gathered at 10 a.m. under the oaks outside the Carson Fellowship Hall using the steps as a pulpit. Going forward in these Sunday services, all participants are asked to please wear a mask for the duration of the service and may either bring lawn chairs or a blanket for the family. If preferred, there are ample places to park and listen from a vehicle.

Those settling on the lawn will space themselves at a distance from others, facilitated by circles painted on the lawn and are asked, if possible, to use cell phones or tablets to access the order of worship emailed on Saturday. A table containing printed orders of worship, masks, hand fans, and hand sanitizer will be present for all worshipers to pick up what they need.

In the event of rain or other bad weather, members of the congregation will be alerted of cancellation of the outdoor service by email and the service will be conducted via Zoom and can be viewed on Facebook or YouTube Live.

The Worship Ministry Team anticipates holding outdoor services to allow worshipers to experience in-person worship but at a safe distance due to health concerns caused by the virus pandemic.

On the Journey

When our Communications Team revamped *PostScripts*, we came up with the title, "On The Journey" for the pastor letter because that's exactly what we're on. Multiple journeys, in fact, and part of the joy is seeing how those journeys connect.

We had two journeys do just that. One, a journey to find our new associate pastor, which began fifteen months ago. The other, a journey of not one but two temporary associate pastors; both of whom came to be with us right when we needed them - and, I imagine they'd say, right when they needed us.

Soon another chapter begins, with news that a congregational meeting has been called for July 12 to act on a recommendation from the APNC regarding a candidate for our associate pastor position; and that Rebekah's time at Trinity is coming to an end as the Hutto family moves out of state so husband BJ can follow his call.

For me, this is yet one more example of God's faithfulness to this church, from Grace to British to Rebekah to our soon-to-be new associate pastor. It's also an example of God's faithfulness to each of those folks as well, leading them into a new and exciting future. What a blessing it is to get to serve a God who is squarely in the driver's seat of each of these journeys!

Trinity's Little Free Pantry

Thanks to the creative work of Eric Banks and Kate Johnson, the Mission and Outreach Ministry Team began a new outreach ministry for Trinity members and our neighborhood: Trinity's Little Free Pantry near the bus stop on Providence Road.

We may never know who our recipients are, so our theme for this pantry is that ANYONE can give or take to help the food insecure. Job

loss, new regulations for food programs, long lines at food banks, limited grocery stock are just some of the effects of this pandemic, therefore food insecurity will be on the rise for some time. Meredith Thompson, our Mission and Outreach chair, has a [Sign-Up Genius](#) volunteer form on our website, but anyone can help stock the pantry with non-perishable foods which are able to withstand high temperatures.

As Kate Johnson so beautifully painted on the outside, we are: "Growing Together. Welcoming All." The pantry is a visual reminder that we can share our resources for those in need.

Trinity Supports UMC During the Pandemic

July/August 2020

This is one of the encampments you will see as you drive to the Urban Ministry Center (UMC) near Uptown. Once the pandemic hit, the homeless shelters were forced to reduce their numbers in order to practice social distancing.

The depth of our country's affordable housing and mental health crisis is one of the many things that has been revealed during the pandemic. Our community has responded with an outpouring of support. That fact is reinforced when you pull into UMC's parking lot and see the volunteers and employees working, despite the risks, to help those in need.

UMC is providing 300–500 lunches per day to our homeless neighbors. Trinity, too, has responded. Trinity's Operation Sandwich Team is a group of Trinity members and their friends who are making sandwiches and delivering them to UMC. So far, the Trinity team has delivered more than 1500 sandwiches to UMC.

Operation Sandwich is collecting and delivering sandwiches every other Thursday. Are you interested in joining the Operation Sandwich Team? The team is open to anyone who wants to help! Please contact Lynda Opdyke if you are interested in participating!

APNC Update

The APNC has met weekly and as needed by Zoom through the pandemic. The APNC recently interviewed a final slate of candidates to discern the call for our next Associate Pastor. All of the candidates were very qualified - it was a matter of checking references, comparing/contrasting the candidates, having lively APNC meetings and praying to determine the candidate with the right experience and who would be a good fit for the congregation. As our search has concluded, we will present you, the congregation, with more information at a called congregational meeting following worship on July 12.

Happenings at Trinity Presbyterian WDS

While it wasn't the year-end wrap-up we expected, we were happy to be able to see our friends on the last official day of school. Thank you for your support and patience during this challenging time!
