

2023 Room in the Inn FAQ

Room in the Inn is back, and we need your help! We are partnering with Sardis Presbyterian Church again, along with Sardis Baptist to support one another in this ministry and in hopes of growing volunteers and energy around this ministry.

Have questions? Check out more information below about how this relationship and ministry will look:

- Why did we choose to partner with Sardis Presbyterian (and Sardis Baptist) again rather than host at Trinity this year?

In the interest of safety for our neighbors and volunteers, Sardis has a unique facility where our neighbors can sleep in separate rooms and the overnight hosts will have a separate space in which to sleep. It's much easier to socially distance. Sardis Presbyterian reached out to Trinity and Sardis Baptist earlier this year to be in partnership since all three of our ministries are challenged to find enough volunteers to run a full season. By partnering, all three churches are contributing to this much needed ministry.

- Trinity has signed up for five days during the months of January through March. Here are those dates:

Wednesday, January 18

Sunday, January 29

Wednesday, February 15

Sunday, March 5

Sunday, March 19

- COVID Vaccination and safety protocols

Roof Above no longer requires a COVID vaccination for our neighbors or volunteers.
